

To
(Ambassador/Consul-General) of Japan in Bangladesh

Dear Sir/Madam,

I'm RAFI MD ASHIFUJJMAN, Master's student in Computer Science Department at Shizuoka University, Japan- applying to you for my wife SHATU AFSANA. Although we have been officially married for 6 months, our relationship has been going on for 6 years.

We are together from the college level. Together, we have passed a long way, overcame many obstacles and dreamed a lot. We both love Japan. I have never been apart from her for so long. She is afraid to stay alone. Always I feel frustrated about leaving her alone and also can't concentrate on my research. It affects us mentally and physically. Actually we can't stay calm and happy without each other.

We, therefore, pray and hope that you would be kind enough to make us together with smiling faces again.

Sincerely yours
RAFI MD ASHIFUJJMAN
SHATU AFSANA
