**Data registration**

Graduation Course Registration course registration (Book/Registration) (./recordThesis)

**Shizuoka University Faculty of Information Science Behavioral Informatics****5 stages (S, A, B, C, D)**

-

\*Please enter the university, graduate school, etc. that you will graduate or complete by acquiring a certain number of credits.

\*To save, you must enter at least one lecture in the 2. Lecture input field.

1. Enter school name (required)

[Remove School >](#)**•School name**

\*Please search for the school name using the school search button below.

**Shizuoka University****School Search**

\*Domestic universities and technical colleges are generally covered, but if an overseas university or domestic technical college is not displayed in the search results, please check the box below and enter text.

\*If the school name, faculty, or department of a domestic university or technical college is not displayed, we will add it to the system, so please contact us here . (<https://ws.formzu.net/dist/S98787168/>)☐others**•Faculty/Graduate School Name**

Faculty of Information Science

**•Department name/major name**

Behavioral Informatics

**•School Division**

Graduate School (Master's)

**•Graduation credits**

30

Credits

\*Please enter the number of credits required for graduation.

**•Graduation Year**

2025

**•Grading method****Please select a grade level excluding failing grades.**

For example, if S, A, B, and C are passing grades and D is failing grade, select 4 grades (S, A, B, C).

5

step

5 stages (S, A, B, C, D)

\*All evaluation methods are covered for Japanese universities.

Please select this only if you are attending a school other than these and are unable to select from the list above.

☐others**Important points to note when selecting the "Grade Evaluation Method" above \*Please be sure to read**

1. Please do not include fail grades, "pass" or "certified" in your selection.

Failed subjects will not be registered, so please do not include fail grades when selecting the above grading method.

Also, please do not include "pass" or "certified", which do not have a grade, when selecting the above grading method.

\*No matter which grading method you select here, the option "pass or certified" will always be displayed when entering grades for each subject.

2. If the grading method applicable to your overseas university is not on the list, please select the one with the same number of stages and register the grade accordingly. 3. Please refer here

([https://www.dscenter.co.jp/student/student\\_guide3/#caution](https://www.dscenter.co.jp/student/student_guide3/#caution))

if you have two or more grading methods or if you have transferred from another school .

([https://www.dscenter.co.jp/student/student\\_guide3/#caution](https://www.dscenter.co.jp/student/student_guide3/#caution))**Register (save) this content >****After completing the lecture input, be sure to click "Register (Save)".**

(Please note that if you do not save within 60 minutes, the timeout will occur.)

## 2. Lecture input (required) (?)

\*Please enter all courses you are currently taking and have already taken. \*There is no need to enter courses for which you have received a failing grade.

Enter the names of all lectures here > ( )

3. Specify the transcript (PDF) file ( only if clearly instructed by the company )

Specify a PDF file and press the "Register (save) this content >" button to register the PDF data.

**Register the PDF of your transcript only if you are instructed to do so.**

\*The maximum data size is 1MB.

\*Some companies require submission, in which case you will not be able to send it without registering it.

\*If the latest grade results have not yet been reflected in your transcript, there may be a discrepancy with the results registered in 1. However, companies are aware of this so there is no problem.

\*If you have any questions, please check here. Frequently Asked Questions (<https://www.dscenter.co.jp/student/faq/>)
